

**All-Russian School-Conference of Young Scientists**  
**"Fundamental Sciences - for a specialist of modern time"**  
**with international participation**  
**(DAYS OF SCIENCE AT ISUCT)**

Within celebration of the year of science and technology in Russian Federation

Dedicated to the 150th anniversary of the city of Ivanovo

Ivanovo State University of Chemical Technology invites you to take part in the All-Russian school-conference of young scientists with International participation **"Fundamental Sciences - for a Specialist of the modern time" (DAYS OF SCIENCE IN ISUCT)**. The conference will be held from **26 to 30 April 2021** in Ivanovo (Russia) on the basis of the Ivanovo State University of Chemistry and Technology.

- Participants: students, post-graduate students and young scientists of scientific, educational and industrial organizations of the Ivanovo region, of other regions of Russia, countries of near and far abroad.
- The conference will include plenary, sectional and poster sessions, lectures with the participation of leading scientists.
- Dates of the conference: **26 - 30 April 2021**.
- Organizer: Ivanovo State University of Chemistry and Technology in collaboration with executive authorities, scientific, educational and industrial facilities of the Ivanovo oblast.
- The mission or purpose of the conference is to create conditions for an effective dialogue between students, undergraduate students, recognized scientists and leading higher school lecturers, representatives of the business community, authorities and the public for providing the discussion of an innovative scenario for the development of fundamental and applied science aimed at the efficiency increase of scientific research and the quality of graduation qualification papers and dissertations.

According to the results of the reports competition in each section, the winners will be awarded with diplomas and certificates. Each participant of the conference will receive a certificate of participation. As the result of the conference, a collection of short abstracts will be published in an electronic format.

- Conference sections: <https://conf.isuct.ru/sciencedays2021>
